

Satisfied Party Participants

“Jack had a wonderful time at his birthday party. Everything was very well organized, it went smooth as silk! His favorite part was the tie dye t-shirts.....it's the best party favor we ever brought home. The kids continue to wear them, even now in the winter under their basketball jerseys.

The party was a great experience for the kids from beginning to end . . . Thanks MSA for the memories!”

The Art of a Birthday Party

“Every child is an artist, the problem is how do we remain an artist once we grow up”

-Pablo Picasso

All children love to celebrate birthday's, but none is more special than their own. Main Street Art offers you and your child an opportunity to make their celebration truly memorable.

Main Street Art's birthday parties provide you, the parent with the ideal location where each child can express themselves artistically while you don't have to worry about the usual organizing and clean-up.

Our clean, friendly atmosphere provides a great background for the party where everyone can share in the birthday celebration and also create their individual masterpiece to bring home and share with their own family.

With a number of party and art projects suggestions, there is sure to be something that your budding Picasso will be interested in sharing with their friends and fellow artists.
